

To the 4ZZZ Chair, Board of Directors and subscribers,

At the upcoming AGM, I intend to formally nominate myself for a position on the 4ZZZ Board of Directors.

I am a music loving Brisbane resident who recently retired. Now, I'm eager to contribute to our community.

Here is a brief overview of my background:

- I hold a Bachelor of Economics, a Master of Mineral and Energy Economics and am a Graduate Member of the Australian Institute of Company Directors.
- Over my career I held senior leadership roles in finance, human resources and organisational transformation across various industries. I have worked closely with the Board of Directors and Sub Committees of the organisations I worked for, and understand the important governance role that the Board plays.
- I am an enthusiastic music lover and regularly support local live music. I also run a Meetup group with 2300 members that provides an avenue for mature aged people to get together and go out and enjoy gigs (called "I'm Older and Still Love Going to Gigs). Getting older shouldn't mean missing out on live music!

4ZZZ and community radio plays an important role in the music and cultural landscape of Brisbane. I believe I bring strong business experience combined with a passion for music that will make a meaningful contribution to the ongoing success of the station and its positive impact on the community.

For your consideration,

Caroline Fleming
